# THE ENTERTAINMENT DESTINATION OF THE FUTURE

Platea is not only the sum of its parts.  
Platea is an entertainment philosophy.

Creating a one of a kind escape in Lebanon, in a unique and innovative venue, Platea is truly a place where inspiration happens. This concept, straight from the mind and vision of an events professional, was designed to offer one thing: inspiration.

A multi-purpose canvas for your imagination, Platea's elegant warmth and avant-guard design, coupled with its professional and experienced management, delivers flexible platforms for any event to be held in. Within 20,000sqm lies a multi-purpose hall suitable for events, concerts, theatrical performances, weddings, conferences and exhibitions, a first class restaurant, an outdoor event space, as well as a rooftop nightclub/lounge bar. Furthermore, Platea's breathtaking views of lush mountain ranges and the glittering Mediterranean Sea, make it the ultimate entertainment escape.

Welcome to Lebanon's first  
multi-dimensional event space.  
Welcome to Platea.

## THE VISION

Platea was born out of the need to introduce an entirely new and innovative concept to Lebanon. A multi-purpose mega structure that brings together all of the best entertainment experiences into one versatile event space.

To make Platea a reality, a team of visionaries conceptualized the architectural plans, drafted the project's feasibility studies, secured financing, managed the design process, sourced the materials, and oversaw all contractual and legal operations - all so that the people of Lebanon could experience the ultimate entertainment destination.

Platea is the future of the  
entertainment industry.  
Both in Lebanon and in the region.

## THE ESCAPE

Platea is located in the heart of Jounieh, one of Lebanon's most beautiful cities known as much for its sea-side resorts and picturesque views, as for its nightlife and entertainment. Only 30 minutes away from Lebanon's capital city Beirut, Jounieh is far enough to escape the hustle and bustle of city life, yet close enough to access easily.

Jounieh is Lebanon's leading entertainment and touristic destination - there is no shortage of things to do, sights to see, restaurants to try, and places to stay. Only 20km from Rafic Hariri International Airport, Platea sits in close proximity to many of Lebanon's most famous cultural sights:

- 2km from the internationally renowned Casino Du Liban
- 10km from the ancient city of Byblos
- 9km from Jeita Grotto's limestone caves
- 7km from Harissa, Lady of Lebanon, Monument
- 100km from the famous cedar trees of Lebanon
